

Early Years Outcomes Age: 30 to 50 months - Typical Behaviour		Name of Child: Date of Birth:		
Communication and language		Physical development		Personal, social and emotional development
Listening and attention • Listens to others one to one or in small groups, when conversation interests them. • Listens to stories with increasing attention and recall. • Joins in with repeated refrains and anticipates key events and phrases in rhymes and stories. • Focusing attention – still listen or do, but can shift own attention. • Is able to follow directions (if not intently focused on own choice of activity). Understanding • Understands use of objects (e.g. “What do we use to cut things?”) • Shows understanding of prepositions such as ‘under’, ‘on top’, ‘behind’ by carrying out an action or selecting correct picture. • Responds to simple instructions, e.g. to get or put away an object. • Beginning to understand ‘why’ and ‘how’ questions. Speaking • Beginning to use more complex sentences to link thoughts (e.g. using <i>and</i>, <i>because</i>). • Can retell a simple past event in correct order (e.g. <i>went down slide, hurt finger</i>). • Uses talk to connect ideas, explain what is happening and anticipate what might happen next, recall and relive past experiences. • Questions why things happen and gives explanations. Asks e.g. <i>who</i>, <i>what</i>, <i>when</i>, <i>how</i>. • Uses a range of tenses (e.g. <i>play</i>, <i>playing</i>, <i>will play</i>, <i>played</i>). • Uses intonation, rhythm and phrasing to make the meaning clear to others. • Uses vocabulary focused on objects and people that are of particular importance to them. • Builds up vocabulary that reflects the breadth of their experiences. • Uses talk in pretending that objects stand for something else in play, e.g. ‘<i>This box is my castle.</i>’		Moving and handling • Moves freely and with pleasure and confidence in a range of ways, such as slithering, shuffling, rolling, crawling, walking, running, jumping, skipping, sliding and hopping. • Mounts stairs, steps or climbing equipment using alternate feet. • Walks downstairs, two feet to each step while carrying a small object. • Runs skilfully and negotiates space successfully, adjusting speed or direction to avoid obstacles. • Can stand momentarily on one foot when shown. • Can catch a large ball. • Draws lines and circles using gross motor movements. • Uses one-handed tools and equipment, e.g. makes snips in paper with child scissors. • Holds pencil between thumb and two fingers, no longer using whole-hand grasp. • Holds pencil near point between first two fingers and thumb and uses it with good control. • Can copy some letters, e.g. letters from their name. Health and self-care • Can tell adults when hungry or tired or when they want to rest or play. • Observes the effects of activity on their bodies. • Understands that equipment and tools have to be used safely. • Gains more bowel and bladder control and can attend to toileting needs most of the time themselves. • Can usually manage washing and drying hands. • Dresses with help, e.g. puts arms into open-fronted coat or shirt when held up, pulls up own trousers, and pulls up zipper once it is fastened at the bottom.		Self-confidence and self-awareness • Can select and use activities and resources with help. • Welcomes and values praise for what they have done. • Enjoys responsibility of carrying out small tasks. • Is more outgoing towards unfamiliar people and more confident in new social situations. • Confident to talk to other children when playing, and will communicate freely about own home and community. • Shows confidence in asking adults for help. Managing feelings and behaviour • Aware of own feelings, and knows that some actions and words can hurt others’ feelings. • Begins to accept the needs of others and can take turns and share resources, sometimes with support from others. • Can usually tolerate delay when needs are not immediately met, and understands wishes may not always be met. • Can usually adapt behaviour to different events, social situations and changes in routine. Making Relationships • Can play in a group, extending and elaborating play ideas, e.g. building up a role-play activity with other children. • Initiates play, offering cues to peers to join them. • Keeps play going by responding to what others are saying or doing. • Demonstrates friendly behaviour, initiating conversations and forming good relationships with peers and familiar adults.

Assessment Points over one year and date	Entry 	1 st Review / Term 1	2 nd Review / Term 2	3 rd Review / Term 3

Early Years Outcomes Age: 30 to 50 months - Typical Behaviour		Name of Child: Date of Birth:	
Literacy	Mathematics	Understanding the world	Expressive arts and design
Reading • Enjoys rhyming and rhythmic activities. • Shows awareness of rhyme and alliteration. • Recognises rhythm in spoken words. • Listens to and joins in with stories and poems, one-to-one and also in small groups. • Joins in with repeated refrains and anticipates key events and phrases in rhymes and stories. • Beginning to be aware of the way stories are structured. • Suggests how the story might end. • Listens to stories with increasing attention and recall. • Describes main story settings, events and principal characters. • Shows interest in illustrations and print in books and print in the environment. • Recognises familiar words and signs such as own name and advertising logos. • Looks at books independently. • Handles books carefully. • Knows information can be relayed in the form of print. • Holds books the correct way up and turns pages. • Knows that print carries meaning and, in English, is read from left to right and top to bottom. Writing • Sometimes gives meaning to marks as they draw and paint. • Ascribes meanings to marks that they see in different places.	Numbers • Uses some number names and number language spontaneously. • Uses some number names accurately in play. • Recites numbers in order to 10. • Knows that numbers identify how many objects are in a set. • Beginning to represent numbers using fingers, marks on paper or pictures. • Sometimes matches numeral and quantity correctly. • Shows curiosity about numbers by offering comments or asking questions. • Compares two groups of objects, saying when they have the same number. • Shows an interest in number problems. • Separates a group of three or four objects in different ways, beginning to recognise that the total is still the same. • Shows an interest in numerals in the environment. • Shows an interest in representing numbers. • Realises not only objects, but anything can be counted, including steps, claps or jumps. Shape, space and measure • Shows an interest in shape and space by playing with shapes or making arrangements with objects. • Shows awareness of similarities of shapes in the environment. • Uses positional language. • Shows interest in shape by sustained construction activity or by talking about shapes or arrangements. • Shows interest in shapes in the environment. • Uses shapes appropriately for tasks. • Beginning to talk about the shapes of everyday objects, e.g. 'round' and 'tall'.	People and communities • Shows interest in the lives of people who are familiar to them. • Remembers and talks about significant events in their own experience. • Recognises and describes special times or events for family or friends. • Shows interest in different occupations and ways of life. • Knows some of the things that make them unique, and can talk about some of the similarities and differences in relation to friends or family. The world • Comments and asks questions about aspects of their familiar world such as the place where they live or the natural world. • Can talk about some of the things they have observed such as plants, animals, natural and found objects. • Talks about why things happen and how things work. • Developing an understanding of growth, decay and changes over time. • Shows care and concern for living things and the environment. Technology • Knows how to operate simple equipment. • Shows an interest in technological toys with knobs or pulleys, or real objects. • Shows skill in making toys work by pressing parts or lifting flaps to achieve effects such as sound, movements or new images. • Knows that information can be retrieved from computers.	Exploring and using media and materials • Enjoys joining in with dancing and ring games. • Sings a few familiar songs. • Beginning to move rhythmically. • Imitates movement in response to music. • Taps out simple repeated rhythms. • Explores and learns how sounds can be changed. • Explores colour and how colours can be changed. • Understands that they can use lines to enclose a space, and then begin to use these shapes to represent objects. • Beginning to be interested in and describe the texture of things. • Uses various construction materials. • Beginning to construct, stacking blocks vertically and horizontally, making enclosures and creating spaces. • Joins construction pieces together to build and balance. • Realises tools can be used for a purpose. Being imaginative • Developing preferences for forms of expression. • Uses movement to express feelings. • Creates movement in response to music. • Sings to self and makes up simple songs. • Makes up rhythms. • Notices what adults do, imitating what is observed and then doing it spontaneously when the adult is not there. • Engages in imaginative role-play based on own first-hand experiences. • Builds stories around toys, e.g. farm animals needing rescue from an armchair 'cliff'. • Uses available resources to create props to support role-play. • Captures experiences and responses with a range of media, such as music, dance and paint and other materials or words.
